P and S as picked, minus P only
P and S with S shifted by +0.27 s, minus P only
1σ of the P-only location
All stations: depth change
Depth change (km, + = deeper)
All stations: origin-time change
Origin-time change (s)
All stations: horizontal shift
Horizontal shift (m)
Stations within 35 km: depth change
Depth change (km, + = deeper)
Event number (as in Figure D)
Stations within 35 km: origin-time change
Origin-time change (s)
Event number (as in Figure D)
Stations within 35 km: horizontal shift
Horizontal shift (m)
Event number (as in Figure D)
